DETAILED ACTION
EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mark D. Simpson on September 30, 2004.

The application has been amended as follows:

In the claims:

- In claim 1, line 2, a comma has been added after the term "messages" and before the colon.
- In claim 1, line 2, the phrase "the method comprising the data processing system implemented steps of" has been added after the term "messages," and before the colon.
- In claim 22, line 2, a comma has been added after the term "messages" and before the colon.
- In claim 22, line 2, the phrase "the data processing system comprising" has been added after the term "messages," and before the colon.

- In claim 38, line 2, a comma has been added after the term “messages” and before the colon.
- In claim 38, line 3, the phrase “the computer program product comprising the data processing system implemented steps of” has been added after the term “messages,” and before the colon.

Allowable Subject Matter

2. Claims 1-39 are allowed.
3. The following is an examiner’s statement of reasons for allowance:

Applicant’s invention is drawn to a system for creating rules to process electronic messages.

Applicant’s independent claims 1, 13, 17, 22, 34, 38, and 39, each recite, *inter alia*, a method in a data processing system for automatically creating rules to process electronic messages comprising:

detecting user input moving an electronic message into a folder, wherein a rule is associated with the folder; comparing characteristics of the electronic message with other electronic messages in the folder to form a comparison; and automatically generating a rule to process electronic messages based on the comparison. These steps are neither taught nor suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
